

Personal information			
First Name and surname	Feryal Ibrahim		
DateofBirth	1/12/1953		
Place ofBirth	Basra, Iraq		
Nationality	Iraqi		
MaritalStatus	Widow		
NumberofChildren	5		
Address	Basra. Iraq		
E-mail	Feryal07@ yahoo.com		
Telephonenumber	07812477469		
Scientific Rank	Professor assistance		
General Specialty	Marine biology and Environmental Pollution		
precisespecialization	Ecology, Physiology and pollution of Algae		
Date of first appointmentatthe university	26/9/1980		
thecertificatesandscientifictitle			
Certificate	titleof the	Universit	Countr
Doctorate	The Effects ofHeavy Metals on Growth and Metabolism of Selected Members of	Universit y of Wales	United Kingd om
Master			
HigherDiploma			
Skills			
Arabic	Excellent		
English	Excellent		
other language	Fair( French)		
trainingcourses			
CourseName	Place	Duration	Date

Training course on Coulter Counter Scintillation Technique	Swansea University United Kingdom	30 days	1979
Training course on Handling Isotopes Materials	Wales University. U.K	15 days	1980
Measurement of Primary Productivity in Coastal Waters	University of Alexandria Egypt	60 days	1983
Teaching course in Developing Teaching Skill	University of Basra, Iraq	10 days	1988
Training course on Algae Identification and Isolation	RSNC, Jordan	7 days	1996
Training course in Handling Laboratory Equipments	Lagos, Nigeria	5 days	2002
Training course on Waste Disposal Treatments	Istanbul, Turkey	5 days	2010

### Administrative Posts

Career ( now)	From	To
Associate professor, Dept. of Marine Chemistry and pollution, University of Basra, Iraq.	2017	-till now
Head of Delta Research group, Center of Marine Science, University of Basra, Iraq.	2015	2016
Head of Research group in Dept. of Marine Chemistry and pollution, Center of Marine Science, University of Basra,	2014	2015
Head of Radioactive Unit, Center of Marine Science, University of Basra, Iraq	2011	2014
associate professor, Dept. of Fisheries and Marine Resources, Collage of Agriculture,	2009	2010

University of Basra, Iraq.		
Consultant for Republic of Guinea Higher commission in Environmental pollution	2005	2009
Expert in Environmental pollution, Delta State Protection Project, UNDP, Nigeria.	2000	2004
Associate Professor, Dep of Biology, Collage of Science, University of Al-Bait university, Jordan.	1997	1999
Expert in Aquatic Ecology, Azraq Oasis Conservation Project, UNDP, Jordan.	1994	1996
Associate professor, Dept. of Biology, Collage of Education, Ebin-Al-Haytham, University of Baghdad. Iraq	1992	1993
Lecturer in Dept. of Fisheries and Marine Resources, University of Basra, Iraq	1984	1991
Lecturer in Dept. of Biology, Collage of Science, University of Basra, Iraq	1980	1983
Research Activity		
Research	Place and date of publication	
Ibrahim F.H. Interaction of Zinc with Asterionella japonica.	(1982). J. mar .Biol .Ass, India.Vol,24:No 1&2.	
Al-Daham N.K & Ibrahim F.H. Oxygen depletion in Fish ponds of University of Basra	(1984).1st conference of Kuwait University.	
Ibrahim F.H & Al-Shawi .J.M.Potential Harmful Dinoflagellates of Iraqi Coastal Marine Waters.	(2015). International Journal of Marine Science Vol 5 (60): 1-6	
Ibrahim F.H & Al-Shawi I.J.M.). Study of phytoplankton blooms incident in Shatt al-arab river and marine coastal Iraqi line.	(2017).Mesopo. Eviron. J, Vol 3,No 2:18-25.	

Ibrahim F.H. & Al-Hasson A.S. Nutritional values of some Seaweeds from Iraqi coast of North –West Arabian Gulf .	(2017).Mesopo. Environ. J, Vol 3, No 4:51-62.
Ibrahim F.H. Heavy Metals Released from Sewage Sludge of Basra city, Iraq Using Chemical Method.	(2017). J. Mar. Mesopot, No 1 ( In press).
Ibrahim F.H. Phytoremediation in Removing Selected Heavy Metals from Aqueous Solutions.	(2017). J. mar. Mesopot, No 2 ( In press)
New Recordsof Marine Green Macroalgae in the North-West of Arabian Gulf.	2018). Accepted for publication in Pakistan.J. biotechnology, Vol 1
Rhodophyta of Iraqi Coastal Waters	(2018). . Accepted for Publication in Biochemical and Cellular Archives, Vol 18Cellular Archives, Vol 18,
Published books	Publisher and year
FeryalHamem Ibrahim Al-Hummaium Limnology IN Arabic.	University of Basra Press ,1986
FeryalHamem Ibrahim Al-Hummaium & Abdel- Roda Akbar Alwan. Algae and Aquatic Plants. In Arabic. Volume 1 : Algae Volume 2 : Aquatic plants	University of Basra press.1988
Al- Hummaium, F.H.I. Limnology of Azraq. In English.	The Azraq Oasis Conservation Project, c/o RSCN, Amman, Jordan. 1995
<b>Culturalactivities</b>	
<b>Seminars (examples)</b>	<b>Placeand date</b>
Conference of Oceanography	Egypt, 1983
First scientific conference	Kuwait, 1986

Conference on the Wetlands	Jordan,1996
Work shop on Conservation of Azraq oasis	UNDP, 1998
Work shop on Delta StateOil Pollution	Nigeria, 2002
Work shop on Wells water pollution	Guinea, 2005
Conference on Biodiversity In Marshes, South of Iraq	,Basra,2011 , Iraq, 2011
Euro-Asian Conference on Wastewater Treatments	Turkey, 2012
First conference of Agriculture Collage	Iraq, 2012
Work shop on Fish Agriculture Work shopPharmaceutical	Iraq, 2013
Work Shop on Ministry of Environment Strategy	Iraq,2014
Ist Conference Pharmaceutical Collage	Iraq, 2016
Work shop on Harmful algea and Nutrients	Iraq, 2018

### Awards and thanks and appreciation certificates

Certificate	data	issued by	reason
Thank	1986	Head of University	Publish a book Linology
Award	1883	UNDP	Chosen by UNDP As a lecturer with Jiff Group
Thank	1988	Head of University	Publish a book 2( volumns) Algae& Aquatic Plants
Thank	1990	Dean of Agriculture Collage	Active presence in collage activities
Award	1998	RSNC	Published a book
Award	2005	Higher Commotion of Guinea	Participating in GNO Group
Thank and Award	2014	General Manager	Set the Agreement with Florence University, Italy

Thank and Award	2016	Dean Faculty of Pharmacy Collage	Active Participating in the conference
<b>Teaching Experience</b>			
<b>studied</b>		<b>Stage</b>	
Environmental pollution		PhD	
Aquatic Ecology		PhD	
Advance Oceanography		PhD	
Water Treatments		PhD	
Radioactive Pollution		PhD	
Phytoplankton		M.Sc.	
Plant Physiology		M.Sc.	
Ecology		M.Sc.	
Algology		B.Sc.	
Aquatic Plants		B.Sc.	
Limnology		B.Sc	
<b>Supervision of postgraduate</b>		<b>number</b>	
<b>M.Sc. student</b>		1	

Society and Committee	
Member of Biological Society	1991, Iraq
Member of Teachers Society	1991, Iraq
Visiting member with RSCN	1996, Jordan
Member of Iraqi Atomic Energy.	2012-2014, Iraq
Member of Scientific committee	Since 2010
Head of Post-graduate committee	2012- 2014
Coordinator co Coordinator with the Ecology Division ,south of Iraq	2013-2014 , Iraq
Member of the committee of ( Dangerous Solid and Liquid compounds in the Environment of Iraq). Oil Ministry, Iraq	2014 ,Iraq
